

TOWER CLOCK EYE CENTER

Tower Clock Eye Center is an independent ophthalmology practice providing medical and surgical eye care for patients in Northeast Wisconsin and the Upper Peninsula of Michigan for more than 35 years.

The physicians at Tower Clock Eye Center provide comprehensive medical and surgical eye care, specializing in the consultation and treatment of cataracts and glaucoma, as well as corneal disease and refractive surgery. All of the surgeons at Tower Clock Eye Center are fellowship-trained, specialize in dropless laser cataract surgery and are the most experienced laser cataract surgeons in Wisconsin.
